National Sai Spiritual Education Wing

Dear Parents,

Sai Ram

Information and consent regarding photographs and videos of SSE /LOTUSS students

As you are aware photographs of children are taken during centre/group activities, regional and national events and often in class if there is an interesting activity taking place. The photographs and videos are taken by appointed people and are a wonderful record of SSE activities in the UK.

The photographs and videos may be used to show SSE activities in progress in exhibitions, displays, in published articles (for example Love and Light), on the SSSSOUK website, at Regional meetings, National forums and as a representation of the activities within UK at the International Service Conference in Prashanti Nilayam. Photographs may be stored on a web album, with restricted access and archived as directed by UKCC.

If we use images of individual children, we will not use the name of the child in the accompanying text or photo caption without good reason. In light of this if you consent to your child's photograph or video being used in the aforementioned manner we would like you to sign the consent form below and return it to your centre/group SSE coordinator by 30th May 2010.

Please note that you must seek permission from your centre / regional chair if you wish to take personal photographs or video events where your child is participating. Please refrain from taking individual photographs of children who are not yours. Should you wish to receive further information, or are concerned, then please speak to your centre/ group Chair or SSE coordinator.
